Dear Warden:

Enclosed you will find a letter from a citizen of St. Tammany Parish expressing some concerns about the message inmate Chris Nabors was bringing to a group of young students here in St. Tammany Parish. While I am an advocate of prisoners talking to students about the perils of crime life, I'm afraid Mr. Nabors was using his opportunity to put down on the Justice system and to drum up support for his cause.

I certainly claim no control over your program but I respectfully ask that you not send Mr. Nabors back to any schools in St. Tammany Parish.

Assuring you of our cooperation, I remain,

Sincerely,

A handwritten signature in black ink that reads "Rodney J. Strain, Jr." in a cursive script.
